APPLICATION AGREEMENT

The undersigned (hereinafter called the "Applicant") hereby applies for membership in and agrees to purchase electric energy from TWIN VALLEY ELECTRIC COOPERATIVE, INC. (hereinafter called the "Cooperative") upon the following terms and conditions:

1. Applicant hereby pays five dollars ($5.00), which will constitute Applicant's membership fee if this application is accepted by the Cooperative; and, Applicant also pays the security deposit required by the Rules and Regulations.

2. Applicant will purchase all electric energy used on the premises described in this application and will pay monthly at rates which are filed and approved by the Board of Trustees.

3. Applicant will, if accepted as a member, comply with and be bounded by the Bylaws of the Cooperative, and Rules and Regulations as may from time to time be adopted by the Cooperative.

4. Applicant agrees to provide reasonable credit information to the Cooperative before service is made available.

The acceptance of this application by the Cooperative shall constitute an agreement between Applicant and Cooperative that shall continue in force from the date service is made available and thereafter until terminated by either party in accordance with the Bylaws and Rules and Regulations of the Cooperative.
